Reference is invited to the Fin Dept note dt 22-1-35 & the Record Members minute dt 2-2-35 in the DB file 38-34 put up. In this Office letter dt 15-2-35 the President, DB, was informed that the financial position of the DB was not very satisfactory and that the position might be examined after the levy of fees on motor vehicles proposed by the Board & the realisation of additional revenue.

12) It is now stated that Rs 2535 were realised as fees from Ferries & Markets during 1934-35 and that the amount expected during 1935-36 is Rs 6000, besides Rs 1000 expected to be realised from 'Ferries'.

13) The proposal requires early sanction to the grant of the loan of Rs 15,000, as there is urgent necessity for the purchase of a Launch for the DB Office.

22) Till the anticipated increase under "Fees in Shandies and Markets" actually materialises, it is not desirable to sanction the loan. It would even be preferable to engage a private building and incur an expenditure of about Rs 540 a year in the shape of rent, till the District Board is actually found capable of meeting the new commitments on account of the loan (principal, interest and maintenance charges), after meeting the existing commitments. The proposal may, I think, be deferred for consideration till January 1936 when we will be able to have more specific information about the prospects of the anticipated improvement in revenue.

A further sum of Rs.1,000/- is expected to realise during 1935-36 from the sale of new ferries.

Besides the above the Police Department intend purchasing for Rs.3,000/- the Hosur Musafirkhana for the Police Station since this Musafirkhana is not being visited by travellers. This amount will be adjusted in lumpsum towards the loan as soon as it is received from the Police Department.

There is an urgent necessity for purchasing a building for the District Board Office in as much as the records of the Board are lying in all Taluk Offices and District Office and 2nd Magistrate Office of Shimoga, and they are pressing up to take them away, since we have no sufficient rooms to provide them in the rented building, I request that you will be so good as to obtain early sanction of Government for the grant of loan applied for.

With reference to your letter No. L. 1386/ L.B. 38-34-11 dated 20-8-1935 calling for my opinion regarding the suitability of Mr. Justice. K.Shankaranarayana Rao's Bungalow in the Durgigudi Extension for locating the District Board Office, I have the honour to state that I inspected the building this morning in company with the Executive Engineer and the District Treasury Officer. The building seems to be quite suitable and may be purchased for Rs 15,000/- as proposed by the District Board.

2) The building has extensive grounds and there seems to be no other building, so suitable for the purpose. The building in question seems to be quite sound except the portico, the teakwood rafters of which have sagged and require repairs. It is understood that the cost of repairs may not exceed Rs 1000/- in any case.

3) The purchase of the building for Rs 15,000/- seems to be a good bargain as it must have cost nearly double the amount to build it and is situated in a healthy locality and very near the District Office. The Bungalow is very spacious and the District Board may even rent out a portion of it to some other office.
